

Refrigerated Medications

If any of your medications appear in this list, they should be refrigerated to maintain their integrity.

Gonal-F Pens	Follistim Pen Cartridges
Cetrotide	Ovidrel
MCD Leuprolide	MCD Ovidrel
Low-Dose HCG	Leuprolide Pre-filled Syringes
HCG Pre-filled Syringes	Omnitrope
Rhogam	Neupogen
Intralipid	Progesterone
Estrogen	Sildenafil
Clindamycin	E2v/Progesterone

If your medication does not appear on this list, you can determine whether or not it should be refrigerated by reading the medication labels or instructions.
